## **NTPC Renewable Energy Wins 500 MW Solar Power Contract in SECI Auction**

**NGEL Greater Noida, 10th December 2024**

NTPC Renewable Energy Limited (NTPC REL), a wholly owned subsidiary of NTPC Green Energy Limited, has emerged as a successful bidder in the e-reverse auction conducted by the Solar Energy Corporation of India (SECI) for the development of 2000 MW ISTS-connected Solar PV Power Projects. The auction, held on December 9, 2024, also includes the establishment of Energy Storage Systems (ESS) with a total capacity of 1000 MW/4000 MWh.

NTPC REL secured 500 MW of solar power capacity at a tariff of Rs. 3.52 per kWh. As per the terms of the tender, the company is required to set up an Energy Storage System (ESS) of 250 MW/1000 MWh along with the contracted solar capacity. The Letter of Award (LOA) from SECI is awaited.
