6.0 Qualifying Requirements for Bidders

INVITATION FOR BIDS

In addition to the requirements stipulated (if any) under section Instruction to Bidder (ITB), the Bidder should also meet the qualifying requirements stipulated hereunder in Clause 1.0 and Clause 2.0.

1.0 TECHNICAL CRITERIA

(a) (i) Bidder should have designed, manufactured and supplied at least one (1) no. of 400kV or above voltage class transformers of at least 500MVA capacity (either three-phase transformer as a single unit or single-phase transformer).

OR

(ii) The Bidder should have fully established and operational inhouse design and manufacturing facilities for 400 kV and above voltage class transformers.

AND

(b) Bidder should have designed, manufactured and supplied at least two (2) nos. (One each at two different installations) of 220kV or above voltage class transformers of at least 100 MVA capacity. The above transformers should have been in successful operation for at least two years prior to the date of techno-commercial bid opening.

AND

(c) Bidder should have its own facilities for conducting all routine and type tests as per IS 2026/IEC: 60076 (except short circuit test).

AND

(d) Any oil-filled Transformer of 100MVA or higher capacity at 220kV or above voltage class designed and manufactured by bidder should have been successfully short circuit tested prior to the date of techno-commercial bid opening.

Notes for 1.0: -

- i. The transformer designed by bidder's holding company, subsidiary company, or merged/amalgamated entity, for the reference plant, shall also be considered meeting the design requirement of the bidder. Where the bidder relies on such design experience for meeting the above design criteria, the bidder shall submit, along with its techno-commercial bid, an undertaking jointly executed by the bidder and the respective designer entity, committing to the complete and satisfactory performance of the contract on a joint and several liability basis, strictly in accordance with the format enclosed in the bid document. Failure to submit the aforesaid jointly executed undertaking along with the techno-commercial bid shall render the bid liable for rejection.
- ii. For clause 1.0 (a)(i), the bidder shall submit the certificate of supply from the Owner. In case the bidder has not supplied transformer and seeks qualification as per Clause 1.0 (a)(ii), the bidder is required to submit an undertaking along with its techno-commercial bid, strictly in accordance with the format enclosed in the bid document. NTPC REL reserves the right to verify the facilities mentioned at 1.0 (a)(ii) through factory inspection and document verification during

INVITATION FOR BIDS

- techno-commercial bid evaluation. Any misrepresentation may lead to rejection of the bid.
- iii. In case the award for the reference works has been received by the Bidder either directly from owner of plant/substation or any other intermediary organization, a certificate from such owner of plant/substation or the intermediary organization shall be required to be furnished by the Bidder along with its techno-commercial bid in support of its claim of meeting requirement stipulated above.
 - iv. For Clause 1.0 (b), the bidder shall submit the certificate of supply and successful operation from the Owner.
 - v. For clause 1.0 (c), Bidder shall submit the valid third-party accreditation certificate for in-house Testing Facilities/Laboratory for Routine and type test along with the detailed scope of accreditation.
 - vi. For clause 1.0 (d), the bidder shall submit a successful short-circuit withstand type test report(s)/certificate(s).
 - vii. Dynamic Short Circuit test reports / certificates issued by an accredited short circuit testing laboratory, such as KEMA, NHPTL and CPRI shall only be acceptable.
 - viii. Compliance with the Dynamic Short Circuit Withstand Test in accordance with IEC 600765 shall be a mandatory contractual requirement and a condition precedent to supply of transformers under this Contract. The bidder shall submit an undertaking along with its techno-commercial bid, strictly in accordance with the format enclosed in the bid document. If, prior to the techno commercial bid opening date, the successful bidder has not successfully carried out Dynamic Short Circuit Withstand Test on an oil filled transformer of 500 MVA or higher rating, or on a similar transformer to the 500 MVA transformer proposed under this Contract, designed and manufactured by the bidder, where the definition of a "Similar" Transformer shall be strictly in accordance with "Criteria for Selection of Similar Reference Transformer for Dynamic Short-Circuit Withstand Test" as stipulated in the Standard Technical Specifications for Transformer(s) for Solar Park Pooling Stations, then the successful bidder shall be required to:
 - a. Successfully carry out the Dynamic Short-Circuit Withstand Test in accordance with IEC 60076-5 at one of the laboratories specified above, prior to the supply of the transformer under the subject contract. The test shall be conducted on any oil-filled transformer of 500 MVA or higher rating, or on a "similar" transformer to the 500 MVA transformer proposed under the subject contract, designed and manufactured by the bidder. The Dynamic Short-Circuit Withstand Test shall be completed within the timelines specified in the L1 schedule of the subject contract and shall be performed at one of the laboratories specified above. The definition of a "Similar" Transformer shall be strictly in accordance with "Criteria for Selection of Similar Reference Transformer for Dynamic Short-Circuit Withstand Test" as stipulated in the Standard Technical Specifications for Transformer(s) for Solar Park Pooling Stations; and
 - b. Submit a Short-circuit Test Bank Guarantee (BG) equivalent to 10% of the contract value, as per the details specified in the Tender SPC Clause, valid

INVITATION FOR BIDS

and enforceable against Bidder/Contractor's failure to successfully perform the dynamic short-circuit withstand test as stipulated above.

2.0 FINANCIAL CRITERIA

2.1 The average annual turnover of the Bidder should not be less than INR 44 crores (Indian Rupees Forty-Four Crores), during the preceding three (3) financial years as on the date of techno commercial bid opening.

In case a Bidder does not satisfy the average annual turnover criteria on its own, its Holding Company would be required to meet the stipulated turnover requirements as above, provided that the Net Worth of such Holding Company as on the last day of the preceding financial year is at least equal to or more than the paid-up share capital of the Holding Company. In such an event, the Bidder would be required to furnish along with its Techno-Commercial bid, a Letter of Undertaking from its Holding Company, supported by the Holding Company's Board Resolution, as per the format enclosed in the bid documents, pledging unconditional and irrevocable financial support for the execution of the contract by the Bidder in case of award.

2.2 Net Worth of the Bidder as on the last day of the preceding financial year should not be less than 100% (one hundred percent) of bidder's paid-up share capital. In case the Bidder does not satisfy the Net Worth criteria on its own, it can meet the requirement of Net worth based on the strength of its Subsidiary(ies) and/or Holding Company and/or Subsidiaries of its Holding companies wherever applicable. In such a case, however the Net worth of the Bidder and its Subsidiary(ies) and/or Holding Company and/or Subsidiary(ies) of the Holding Company, in combined manner should not be less than 100% (one hundred percent) of their total paid up share capital. However individually, their Net worth should not be less than 75% (seventy five percent) of their respective paid-up share capitals.

Net worth in combined manner shall be calculated as follows:

Net worth (combined) = $(X1 + X2 + X3) / (Y1 + Y2 + Y3) \times 100$ where X1, X2, X3 are individual Net worth which should not be less than 75% (seventy five percent) of the respective paid-up share capitals and Y1, Y2, Y3 are individual paid up share capitals.

2.3 In case the Bidder is not able to furnish its audited financial statements on standalone entity basis, the unaudited unconsolidated financial statements of the Bidder can be considered acceptable provided the Bidder further furnishes the following documents on substantiation of its qualification:

(i) Copies of the unaudited unconsolidated financial statements of the Bidder along with copies of the audited consolidated financial statements of its Holding Company.

INVITATION FOR BIDS

- (ii) Certificate from the CEO/CFO of the Holding Company, as per the format enclosed in the bidding documents, stating that the unaudited unconsolidated financial statements form part of the consolidated financial statement of the Holding Company.

In case where audited results for the last financial year as on date of techno-commercial bid opening are not available, the financial results certified by a practicing Chartered Accountant shall be considered acceptable. In case the Bidder is not able to submit the Certificate from a practicing Chartered Accountant certifying its financial parameters, the audited result of three (3) consecutive financial years preceding the last financial year shall be considered for evaluating financial parameters. Further, a certificate would be required from the CEO/CFO as per the format enclosed in the bidding documents stating that the financial results of the company are under audit as on techno-commercial bid opening and the Certificate from a practicing Chartered Accountant certifying the financial parameters is not available.

Notes for Clause 2.0:

- i. Net worth means the sum total of the paid-up share capital and free reserves. Free reserves mean all reserves credited out of the profits and share premium account but does not include reserves credited out of the revaluation of the assets, write back of depreciation provision and amalgamation. Further any debit balance of Profit and Loss account and miscellaneous expenses to the extent not adjusted or written off, if any, shall be reduced from reserves and surplus.
- ii. Other income shall not be considered for arriving at annual turnover.
- iii. "Holding Company" and "Subsidiary" shall have the meaning ascribed to them as per Companies Act of India.
- iv. For financial figure indicated in foreign currency in Clause 2.1, the exchange rates as on seven (7) days prior to the last date of submission of bid shall be used.
- v. 'Group Company' means two or more enterprises which, directly or indirectly, are in a position to:
 - a) Exercise twenty-six percent or more of voting rights in other enterprise
 - Or
 - b) Appoint more than fifty percent of members of Board of Directors in the other enterprise.
